E-Gaming

One of the newest and most awaited activities to launch at Hotel Park is the E-Gaming. There has been a lot of buzz around the E-Gaming lately not only in the community of Qatar but all over the world. We have seen how it incorporates the gaming industry from video game consoles to PC and mobile games, online streaming as well as the eSports industry. It is known to be essentially a competitive game but is also considered now one of the most popular sources of entertainment for any age group. Everyone is fond of playing video games nowadays and it is one of the best ways to bond with your family and friends. Hotel Park is keen to introduce to its visitors the first E-Gaming station to be placed in one of the famous parks in Qatar. It's not only the amazing games that you should expect, it's also the unique experience you'll have when you're around the area. Hotel Park is preparing to make this a whole new gaming experience for everyone especially with its atmosphere as you visit. This place is open for everyone who is longing to spend their time in the park and try different activities. The Park aims to offer diverse entertainment activities for visitors to choose, from different physical activities now exploring the digital gaming.

Baskin Robbins & Dunkin

Early this August 2022, Hotel Park welcomed its newest F&B tenants Baskin Robbins and Dunkin. The Park is known for its wide variety of F&B selections and having these two new tenants is one of the reasons why you will enjoy Hotel Park as you visit. Getting to know these tenants, Baskin Robbins is known for the 31 flavors concept that is a different flavor for each day of the month. What began as an immense hit year ago continues to strike a fun-filled rapport with the thousands of ice cream lovers in the Gulf region. Just as Irv Robbins rightly said, "We sell fun, not just ice cream. With our high-quality ice cream, specialty-frozen desserts, beverages and an incredible recipe library of more than 1200 flavors, it is little wonder that we are absolutely the most preferred ice cream destination in the region. Additionally, Dunkin' is the world's largest coffee & baked goods chain. Dunkin' sell 52 varieties of donuts & its coffee products come in a wide range of flavors & types. They serve flavored coffee, lattes, espresso, cappuccino, coolattas, smoothies & several other beverages.

Ideal Venue for Events

It is the best time of the year when everyone is preparing for the most awaited events in the country. Looking for the perfect venue to host your events can be quite challenging. Hotel Park is known for its 80,000 square meters of park space, with over 34,500 square meters of green space, equivalent to more than 5 football pitches of green grass to play on. Not only is that but also known to offer 2,500 parking spaces that are spread for over 4 underground levels. The Park also has 24/7 security, safety lighting and accessible restrooms which is highly beneficial to its visitors. Now that events are happening everywhere, Hotel Park's sophisticated design and great scenery adds up to the advantages why it is an ideal venue for events. The Park is perfect to host small to large events, from birthday parties, outdoor gatherings to festivals of all types. Being it is located at the center of the Westbay, it can easily attract great number of visitors.
