Qatar National Sports Day

Last February 8, Tuesday, Qatar Tourism Council together with Katara Hospitality and Dana Club, hosted amazing activities on the grounds of Hotel Park. The annual celebration of Qatar National Sports Day is considered as one of the major events people are looking forward to every February, everyone made sure to have a productive day by doing different types of sports or even simple physical activities. This year's theme entitled "Sports is Life" has made a huge impact when it comes to advocating overall health awareness. It has been a decade since Qatar started to celebrate this important day. Despite the challenge of the situation, since last year, Hotel Park made sure that the park and its visitors benefit from the park's activities where they can enjoy their stay and feel the spirit of the sports day. From fun games such as Football, Zumba and other activities, all the staff and their family members are very happy on this day. For this event, the country has encouraged everyone to participate in multiple activities and appreciate the importance of sports in order to have a healthy society, not only on this day but should be from today and onwards.
