During Eid Al Adha's celebration, many fun and exciting activities happened, from free activities and different activations hosted in multiple locations. Hotel Park held its first ever Eid Festival from 9 to 11 July 2022, and it was indeed a great time shared by all. It is amazing how everyone can attend such abundant events throughout Eid occasions despite challenging weather conditions.

Day 1

The Festival started with a great performance by the circus parade performers. They roam around the park and showcase their amazing talents to entertain the visitors.

Day 2 and 3

Day 2 which has been postponed yet moved into Day 3 was also one of the most awaited performances during the Eid Festival. Day 2 is the parade of the musicians and at the same time, there are activities offered for kids, including the section for arts and crafts. There are also roaming clowns around the activity area for kids which make it even livelier.
