Hotel Park Membership

Hotel Park will be launching its Membership Offer as a way of giving back to its loyal visitors. Among the benefits of membership are several special offers from different food and beverage outlets and access to entertainment and activities throughout the park. Hotel Park provided its visitors with the convenience of accessing these offers while they were at the park. In order to have access to these offers, all you have to do is visit the Hotel Park website (www.hotelparkdoha.com), navigate the membership log-in that can be found in the main menu of the website, from there you will be redirected to the membership log-in form and all you have to do is fill up and provide all the needed information. Having already registered as a member, you can now avail the offers and discover more the F&B and entertainment options available around the park. We guarantee you a more memorable and exciting stay.

Value Added Services

Hotel Park Doha is certainly a one-of-a-kind park, not only with its amazing greenery spaces but its strategic location suitable for all types of businesses. You can now enjoy different food and beverage outlets as well as entertainment and activities for everyone. Besides this, Hotel Park can also accommodate over 2,500 vehicles in its 4-level underground parking area that has many accessible entrances going to the park. The property is safe with various security systems, which are monitored 24/7 by competent security guarding services and Hotel Park team members.

EEE Trampoline

We Make Great things Happen. E&E brings together a team with over 20 years of experience in designing, building, and operating some of Qatar's most visited play areas and family festivals. E&E's innovative services and products are unique, and our team is ever ready to provide customized turn-key entertainment solutions and event services to malls, hotels, resorts, corporate events and family entertainment centers. Re-launched in 2021 after the pandemic, the new E&E brand has rapidly scaled its services and is currently providing services to several parks, resorts and malls in Qatar. Our objective is to offer our customers innovative and custom designed high quality entertainment concepts capable of attracting families and encouraging return visits.
