NEWSLETTER MAY 2022

Newly launched car park promotions offered for businesses.

A new service to be provided at Hotel Park for environmentally friendly transport and to save on fuel consumption.

Another food kiosk offering delicious snacks is waiting for you at the park.

The latest news you should not miss at Hotel Park from upcoming food kiosks and special events.

For more information, you can visit Hotel Park Reception Area.

B2B Car Park Promotion

Hotel Park launched a campaign to promote its car park spaces. This offer is open to everyone specifically businesses such as limousine companies, fleet agencies, car rental, and automotive companies looking for a spacious and convenient parking facility. In addition to its strategic place which is highly convenient for companies and their clients, Hotel Park offers over 2,500 parking slots and a variety of value-added services that can be utilized during your stay. From car service center, car wash, and a lot more. The car park is also equipped with 7/24 security including CCTV systems. One of the major concerns of the customers is the safety and security of their vehicles. The B2B car park promotion is open to all companies wanting convenient parking spaces for their vehicles, especially to those who do not have enough or safe spaces to park their cars at their premises. In addition to that, if your company is seeking a space that is accessible for all and provides high-technology parking systems where vehicles are strictly monitored 7/24, you can enquire regarding this promotion and be informed of its flexible terms and conditions. Call the Hotel Park reception area at 4456 7665 or email hotelpark@mawaqifqatar.com for more information.

EV Charger

Because Hotel Park supports environmentally friendly modes of transport, we are launching electric charging stations at dedicated area of the parking. This new service is to encourage better sustainability for the environment, which is part of Hotel Park’s mission. In view of fully implementing this concept, Hotel Park has embarked a partnership with Porsche Centre Doha. Hotel Park took part in supporting Qatar’s vision for the environment and commitment towards sustainability. With its opening in the Center of the West Bay Area, the Park is proud to provide the EV Charging Station in its parking facility, delivering the perfect and ideal location that is readily accessible to all. Owners of electric vehicles can easily have their cars charged at any time and also explore a range of services around Hotel Park.

Churros Kiosk

A famous Spanish delight called “Churros” is one of the newest favorite snacks you can find at Hotel Park. With its delicious taste and amazing flavors, you can never get rid of having these sweets along with their best coffees. Churros Café has opened its recent branch at Hotel Park serving delicious desserts and beverages perfect while you are enjoying the spectacular view of Westbay.
